Items for the Home

In calling special attention to "Pyrex" Transparent Oven Dishes we would emphasize certain features of merit altogether in their favor. First, it is of interest to know that by using these Dishes the fuel bill is greatly reduced because they absorb nearly all the oven heat and bake quickly. Secondly, meats, vegetables, etc., cooked the "Pyrex" way retain their natural color and flavor, thus is it possible to buy the less expensive kinds and yet have delicious food. Consider also that "Pyrex" saves labor and is always free from grease and odors.
